NAIPUNNYA KALOTSAV 2020 - Circular No. : 1

Dear parents/students

As we all know, the schools are the second home for children. The way in which their personalities mould depends on not only on the parental upbringing but also in the way they are evolved in their schools. Imparting just the bookish knowledge makes the student dumb and insecure in this current competitive world. Over the past six months, the children in most of the countries, including ours, have been confined to a life within the home due to this **Pandemic COVID 19**. Children are not able to exhibit their inner talents before their dear friends, teachers and parents.

Our Naipunnya has ever been proactive in bringing out the amazing potential of our students related to art and music since its inception. Keeping this in view, we are so delighted to inform you that we have decided to conduct few competitions in connection with our **NAIPUNNYA KALOTSAV** in the month of **August 2020** in a limited format in the light of this new scenario.
