## CIRCULAR

Dear Parents,

**Cordial greetings from Naipunnya!**

The world is going through a crisis caused by COVID-19 pandemic, the ensuing lockdown and its impact on the economic condition of our people. Our students and parents have always been our paramount concern, both on the academic and financial levels and we are trying in various ways to relieve your hardship in these challenging times.

As we acknowledge the unconditional support you have extended all these years, we would like to remind you that the smooth-running of the school solely depends on the fees paid by students. We are concerned too about the welfare of our teachers and staff, especially as many of them are dependent on their income from the School to look after their families.

Consequently, we need to balance the interests of our students, parents, staff, teachers and many others, who are part of our school. After due consideration, the Managing Committee of Naipunnya Public School, Edakkunnu, has implemented the following:

- ❖ The school will not charge any increased fees for the academic year 2020-2021.
- ❖ Keeping in mind the financial situation of the parents due to COVID- 19, there will be a 15% deduction in the annual school fees. Accordingly 10% will be deducted in the first term instalment and remaining 5% will be deducted in the second term.
- ❖ Students, who have taken new admissions in the academic year 2020-2021 and already made payment at the higher levels, will be given appropriate adjustments in the second term.
- ❖ Fees for the first term can be paid from 7<sup>th</sup> July and the last date is 7<sup>th</sup> August 2020.
- ❖ Payment of fees can be made through any branch of The Federal Bank using the challan form provided from the school.
- ❖ Online payment of fees can be done through our website - [www.naipunnya.edu.in](http://www.naipunnya.edu.in)

You are of course aware of the extensive efforts being made by all our teachers to continue the classes online and we are glad that this is helping the students to keep abreast of the curriculum.

Concerning the online classes for lower sections (KG - Class V), the Management had intended to start Google Meet online classes, but postponed it as per the feedback from the PTWA Executive Committee. Since there is a constant request from parents, we have decided to introduce online classes for lower sections every last week of the month along with the WhatsApp schooling.

Please be assured that the Management is conscious and aware of the difficulties faced by each one of you and stands in solidarity with the entire Naipunnya family.

Looking forward to your earnest consideration and cooperation as ever and thanking you very much for your support.

Warm Regards,
