### EXECUTIVE DIRECTOR'S MESSAGE

"Education is the most powerful weapon which you can use to change the world."

-Nelson Mandela

The great American poet Maya Angelou said: "I have learned that people will forget what you said, people will forget what you did, but people will never forget how you made them feel." As the leader of this Naipunnya Public School Team, I strive to make my teachers feel updated and accepted, I strive to make my students feel enlightened walking steadily towards the light of education and thus reach the heights of academic excellence is my ultimate feel.

I'm so delighted to present you our new edition of 'Naipunnyam 2024', enumerating different programmes which were strategically and impeccably organised since the reopening. I acknowledge and appreciate the efforts taken by our teachers, parents and students without whose support, in fact, these events would not have been conducted with such a perfection and elegance.

The beginning of this new academic year brought forth the grand success of our students of classes X&XII, great achievement in entrance examinations, sports competitions and other extracurricular activities which uphold the reputation of our school. Let us continue our journey with more success stories. I wish everyone a 'Very Happy Onam' in advance.
