Dear parents,

## Greetings from Naipunnya!

We sincerely hope that you and your family are safe and coping well during this period of lockdown. Thank you so much for your patience and understanding as we have been adjusting, like you, to the extreme changes in life during the last two months. I am extremely appreciative of our students, parents, teachers, and administrators for their positivity and flexibility during these hard times.

This is a very challenging time for all of us; we have to ensure that the students do not miss out on their academics, and on the other hand you are also getting an opportunity to engage with your children and spend quality time with them. This is a new experience for all of us and we are looking for ways and means to minimize the academic loss for our students.

## Virtual Classroom

Virtual Classroom is a fairly new concept and our teachers are earnestly trying hard to make it more productive. We will conduct the virtual classroom through both WhatsApp and Google Meet App.

**For classes IX, X & XII** - Our faculty of the Senior Secondary school has remained in contact with their students through class wise WhatsApp groups. However, the online classes through Google Meet App will start on 1st June for Grade X & XII and on 8th June for grade IX.

**For classes KG to VIII** - Our teachers of junior and middle school have been sending vacation projects, study material, links of videos and their recorded audio lessons through class wise WhatsApp groups and this practice of connecting students with their academics would continue till the school reopens. Online classes, however, will be introduced if the lockdown is extended.

## Re-opening of School

The date for re-opening of the school for the academic year 2020-21 will be notified, subject to further orders and directives issued by the Government.

## Syllabus & Books

My humble request to all the parents is not to get panic about the completion of syllabus for this academic year. CBSE has already announced that there would be considerable amount of deduction in the syllabus.

Most of the Text-books for the academic year 2020-21 are available at the school office and would be distributed from the first week of June onwards. Time slot for each class will be intimated later.

## Term Fees

There is no increase in the fees structure for the academic year 2020-21. We have not yet decided about the first term fees collection date. It will be informed later.

We thank you for your goodwill and support in these trying times.

Stay safe!
